

TOP 10 SURVIVAL GUIDE FOR EXECUTIVES AND THEIR FAMILIES

SPEAKER: KEN BARNHART

Believe it or not - you are being hunted!

“Whaling” is what Hackers call targeting Executives and High Net worth individuals. Spear Phishing attacks against Executives & Owners are less than 3% of attacks but account for over 70% of the most significant financial losses!

This fast-paced and highly engaging session covers 10 of the most critical steps that SMB executives & business owners can take to defend themselves and their families from the unique threats they face at work, home, and traveling.

Great event for anyone who wants to avoid becoming a victim of identity theft!
